

Aqua-Feed for Future Aquaculture: Cutting-edge feed technologies for 21st century aquaculture

25 – 29 November 2024
at Asian Institute of Technology (AIT), Thailand

PROGRAM

Time (GMT+7)	Description	Remark
Day 1: Monday, November 25 (AIT)		
8.30 – 9.00	Opening session Welcome, Introduction and Overview	Dr. Krishna R. Salin, Dr. Amara Yakupitiyage
9.00 – 10.00	Technical session 1 Current Practices of Aquaculture Nutrition, Feed formulations and Feeding practices in Thailand	Dr. Daranee Seguin, Aqua Nutrition and Formulation Specialist, Thailand
10.00 – 10.30	Coffee break	
10.30 – 12.00	Technical session 2 Feed ingredients I – Trends and technological innovations and Quality Control	Dr. Suttisak Boonyoung, Cobb Asia-Pacific, Thailand
12.00 – 13.30	LUNCH	
13.30 – 15.00	Technical session 3 Feed ingredients II – Traditional and alternative sources for aquatic animals	Dr. Noratat Prachom, Kasetsart University, Thailand
15.00 – 15.30	Technical session 4 Feed supplements and additives I: Experience from monogastric nutrition	Dr. Suttisak Boonyoung, Cobb Asia-Pacific, Thailand
15.30 – 16.00	Coffee break	
16.00 – 17.30	Technical session 5 Feed supplements and additives II: Experience from aquatic animal nutrition, feeds and feeding	Dr. Noratat Prachom, Kasetsart University, Thailand
18.00 – 20.00	Welcome Dinner	
Day 2: Tuesday, November 26 (AIT)		
8.30 – 10.00	Technical session 6 Aquaculture animal microbiome research for sustainable aquaculture business	Dr. Sage Chayapechera, Researcher and Team Lead, BIOTEC, NSTDA, Thailand
10.00 – 10.30	Coffee break	
10.30 – 12.00	Technical session 7 Oral vaccine and immune enhancement	Dr. Sasimanas Unajak, Kasetsart University, Thailand
12.00 – 13.30	LUNCH	
13.30 – 15.00	Technical session 8 Aquaculture transformation through innovation and investment in Thailand	Dr. Montakan Tamtin, Director, Kung Kraben Bay Royal Development Study Centre, DoF, Thailand
15.00 – 15.30	Coffee break	
15.30 – 17.00	Technical session 9 Research and Development of Aquatic Animal Feed in Thailand	Dr. Sawitri Silakes, Expert on Aquatic Animal Nutrition, DoF, Thailand
Day 3: Wednesday, November 27 - Field visit – Commercial feed mill, Samutsakorn Province, Thailand		

Day 4: Thursday, November 28 - Field visit – Commercial feed mill, Ang Thong Province, Thailand

Day 5: Friday, November 29 (AIT): Panel Discussion

8.30 – 10.00	Panel Presentations	Dr. Laddawan Krongpong Director, Division of Aquatic Animal Feed Research and Development Division, DoF, Thailand
10.00 – 10.30	Coffee break	
10.30 – 12.00	Panel Discussion
